****

REGISTRATION FOR SPRING QUARTER BEGINS FEBRUARY 20, 1985, at the Junior College Division. Counselors will be available during the day and evening hours to assist students in their course of study. Classes begin on March 18.

****

SHELTON SKYROCKET TO SUCCESS

A math-science conference for girls in grades 6-9 will be held Saturday, February 23, from 9 a.m. - 12 noon at Shelton State Junior College. Sponsored by Shelton and the University of Alabama, the conference is designed to increase young women's interest in math and science, to foster an awareness of career opportunities for women in math and science related fields, to make women students aware of the preparation necessary for a career in math or science, and to provide students an opportunity to meet and form personal contacts with women working in traditionally male occupations.

Registration deadline was February 13, 1985, and pre-registration is mandatory as each workshop will be limited in size. A registration fee of $4 is required for each participant. Each girl will attend three workshops, one at each hour.

SHELTON ALUMNI ASSOCIATION TO MEET

A first will occur Tuesday, February 19. Shelton State will enter into an agreement with Rochester Products to train some of their employees in high technology, state-of-the-art computerized numerical control equipment.

This announcement will be made as part of the February meeting of the Shelton Alumni Association which will be held at 7:30 p.m. in the Victor Poole Learning Resource Center at the Technical Division. Jonnie Aycock, executive director of The Chamber of Commerce, will be there and will speak to the group. Representative from Rochester Corporation and Shelton State will be on hand for the announcement.

We would like to extend a special invitation to you to come to the meeting and be a part of this exciting new announcement. Please encourage your students to attend too.

A reception will follow the announcement.

NEW CHEMISTRY SKILLS COURSE TO BE OFFERED

A new course will be offered Spring quarter by Shelton's chemistry department. The course is CH 099 and is designed for students who want to refresh and improve their math and science skills before taking the regular chemistry series of courses. The course is presently being offered by several other junior colleges across the state and is included in the new chemistry course description that is being developed for use by all junior colleges in the state. The course description is as follows:

CH 099 Chemistry Skills (5 hours). This is a prepatory course offering a basic language of chemistry which includes formulas and equations, and covers basic chemical calculations of stoichiometry, gas laws, and solutions. Also included is an introduction to laboratory techniques and safety. This course is designed for students with little or no background in chemistry. It carries institutional credit only.

Two books — Passing Freshman Chemistry and Basic Mathematics for Beginning Chemistry will be used the course and will be excellent reference material for use in the regular chemistry series. The bookstore will have both books in paperback to keep the cost minimal. Any questions concerning the new course should be directed to one of our chemistry instructors.

****

STILLMAN TO SPONSOR VISITATION DAY

Stillman College will host a visitation day on February 22 at 10:30 a.m. The Stillman van will be here at 10 a.m. to take any interested students to the college. Lunch will be provided. Any student who is interested in attending must sign up in the Shelton counseling center.

WEST WINS

Robie Ann West, 23 year old daughter of Douglas and Dorothy West of West Blocton, was named the 1985 winner of the Miss Shelton State Pageant. Ms. West is enrolled in Shelton's evening program and will receive a degree from the college in May. She eventually plans on entering law school after graduation from a four year college.

Ms. West was first runner-up in the pageant in 1984 and was selected Miss Alabama Hemisphere 1984, Miss Sunburst U.S.A. of Birmingham 1983, Miss West Blocton High School in 1979.

As Miss Shelton State, Robie will represent the college at the Miss Alabama Pageant in Birmingham this summer. The winner of the state pageant will compete for the title of Miss America.

First runner-up was Dannielle Wood, daughter of Mr. and Mrs. Lee J. Wood of Holt. Second runner-up was Cay Walker of Tuscaloosa, daughter of George and Judy Walker. Jenny Lou Ambrose was third runner-up. She is the daughter of Schreiber W. Ambrose. Fourth runner-up was Beth Gwin, daughter of Johnny and Fay Gwin.
